Hon. Bernard LeBlanc Minister of Local Government

Bernard Roger LeBlanc was elected to the Legislative Assembly of New Brunswick in the provincial election held September 18, 2006. A Liberal MLA, he is the first member to represent the new electoral district of Memramcook-Lakeville-Dieppe.

Bernard R. LeBlanc was born on March 13, 1949, in Memramcook. After attending schools in Memramcook, he obtained a Bachelor of Arts from the Université de Moncton in 1971. He began his career as a New Brunswick Medicare representative. He then worked for a year as a teacher at the Dorchester Penitentiary. From 1973 to 1988, he was a program manager for Income Security. He travelled throughout the region, meeting clients, explaining programs to them, and helping them fill out applications for benefits. On July 13, 1989, he was appointed manager of the Income Security program office, Health and Welfare Canada, in Moncton. He was a consultant for the public relations program of the Department of Human Resources and Social Development Canada.

Mr. LeBlanc spends a great deal of his free time doing volunteer work. He established Memramcook Valley Kindergarten, and he served for 5 years as president of the Memramcook Valley community centre, for 8 years as president of the Foyer Saint-Thomas, for 13 years as chair of the Prê-d'en-Haut parish council, and for 5 years as chair of the district local improvement committee in Prê-d'en-Haut. He has been a member of the executive of Doctor Georges L. Dumont Hospital, a six-year member of the executive of the Memramcook Institute, and a member of the Memramcook Historical Society.

Mr. LeBlanc was elected councillor at large for the village of Memramcook in May 1995, and served as mayor of the village from 1996 to 2001.

He is married to Georgette and has two sons, Marc and Martin, and one daughter, Sophie.
